

February 2014

Dear Ladies and Gentleman,

On behalf of the NAC Fellowship of St. John the Divine, and the Orthodox Young Professionals Conference Host Committee, we would like to invite you to participate as a premiere sponsor for the Orthodox Young Professionals Conference. The conference will be held August 14-17, 2014, at the Residence Inn in Downtown San Diego, CA.

This conference is proud to bring together Orthodox Christian young adults from across the country for a weekend filled with spiritual edification, and to reunite and create new lasting Orthodox friendships. Our conference participants will enjoy keynote speakers, liturgical services, exciting evening activities, opportunities to see San Diego, and much more.

The Host Committee wants to encourage as many young professionals as possible to attend this conference. With many prospective attendees accruing the expense of flying across the country, and paying for hotel accommodations, we hope to maintain appeal for attending the conference by minimizing the costs of registration. This goal can only be achieved with generous donations and sponsorships that will help offset some of these costs.

The Host Committee would greatly appreciate your support for this important conference. In return, we will offer your organization or company maximum exposure to reach an influential cross section of attendees from around the country. Recognition will be offered in all marketing materials, in the arrival bags, and in the conference handbooks.

Should you wish to become an Orthodox Young Professionals Conference sponsor, kindly fill out and return the attached form by May 1, 2014. If you have any further questions, please feel free to contact us.

Thank you for your time and consideration.

In Christ,

Kyra Pelachik
